

# Riverwood Square

COMMUNICATION # 12    IMPORTANT READ    May 01, 2020

Residents, Family, Friends and Riverwood Staff

**ALL ARE HEALTHY AND DOING OK!!!!**

Recent announcements for businesses to start up is wonderful news. A light at the end of the tunnel for all of us. However, its important to understand that the openings are for **general public** and do not apply to **Long Term Care- Riverwood Square**. Restrictions from Shared Health and Public Health are still in force. There have been hints that plans for family visits may be coming shortly. Just in time for Mother's Day, we hope.

We had hoped to have outside visitation this week but again we are restricted by Public Health- we will be ready when the announcement comes.

The hair salon WILL NOT be opening as it is under long-term care guidelines.

This week we were able to start utilizing the Dining Room in The Landing for lunch and supper with small groups. We have a plan that by Wednesday of next week all meals will be served in the Dining Room. Two seating times at lunch and dinner. Residents will receive their Dining Time from recreation on Monday. Social distancing will be adhered to.

Harmony Court residents are enjoying their dining experience in their dining rooms. Harmony Court activities are back in full swing. Exercise, music and bus trips to start soon.

Window visiting. We have set chairs outside for families to visit at the windows. Call reception to arrange your visit time. [reception@riverwoodsquare.com](mailto:reception@riverwoodsquare.com) or 204-275-7632

A reminder that we have a skype program in place to stay in touch. Contact [reception@riverwoodsquare.com](mailto:reception@riverwoodsquare.com) to book a time. Emails: Stay in touch via email. Send your email to reception-we print and deliver.

## Resident Deliveries

We have placed large plastic tubs at the door for you to place your items in. We can maintain efficient sanitization with this procedure. Please do not use plastic bags-if you do please empty into the container. Thank You

Enjoy the weekend!!
