

UPDATE Communication 42

December 12, 2020

Dear Families, Residents and Staff,

EVERY ONE IS WELL AT RIVERWOOD SQUARE- REALLY WELL!!

Dear Families, Residents and Staff,

Thank you to all for your participation in our Riverwood Square events. It is heart warming to see families interacting with their family in events, following Facebook Live and what an amazing turn out for the St. Nicholas Parade!! The residents were thrilled. The Health and Wellness team recognizes the importance of social engagement and continue to plan events with families so we can celebrate the holidays together safely.

If you have not downloaded the Riverwood square app do it now and you can be in touch with the daily activities and participate where you can.

Please book your virtual visits well in advance as it will be very busy for us to facilitate.

This holiday will be very difficult for all of us as we cherish our families, and this holiday is so significant for all. We must be vigilant and follow the Public Health Act. It has been said that many families will not heed the order and that for our seniors, staff and families is very dangerous. I have made it known to the employees of Riverwood Square that if they compromise the rules in any way, they are not to attend the workplace. My message to families is the same. The risk will be greater than ever during the holidays and the COVID numbers 'spike' after the holiday will be devastating. We will remain very vigilant in our screening processes.

Again, I thank all of you for your support as we navigate thru this time. Please call or email if you have questions. Stay Safe.

Thank You
