

UPDATE Communication 46

January 21 , 2021

Dear Families, Residents and Staff,

EVERY ONE IS WELL AT RIVERWOOD SQUARE- REALLY WELL!! NO COLDS, NO FLU, !!!!

Families, Residents and Staff,

Vaccine News

This week the staff at Riverwood Square became eligible for the vaccine. Many have had the first shot and are scheduled for second shot. Staff have been strongly encouraged to get the shot as they are eligible.

VACCINES FOR RESIDENTS

We were informed this morning that 'congregate living' is the next round for vaccinations. We do not have a date yet- and we know that the vaccine has been delayed, but we will have the immunization much sooner than later. I also expect that our facility will be one of the first to be done as we have a lot of residents and our building can manage a large vaccination because of the space that the building offers to distance properly. There are consent forms that will have to be filled out-however- we are not in possession of the form yet. Once we have the forms, we will act quickly to have the information completed- some will require family assistance. Watch your email please.

PUBLIC HEALTH CHANGES effective Saturday Jan 23-

We will be maintaining the same strict policies around visitation and leaving the building as we have been. Visits are essential visits and must be authorized by myself or Janice Hebb. Only essential outside appointments should be booked. If it can wait a few weeks do so. The vaccines are on the way and the vaccine is what will allow us to get back to some form of 'normal' and have our residents safe.

Again, I thank all of you for your support as we navigate thru this time. Please call or email if you have questions. Stay Safe. Stay Strong.

Thank You

Linda 204-594 1267 Isherrin@riverwoodsquare.com
