

## COMMUNICATION 58 May 13, 2021

### Families, Residents & Staff

Manitoba now has the second-highest daily infection rate of all provinces. In Winnipeg our test positivity rate is 14.4 %-

Please re-consider any visiting. Again, if it is essential, it must be approved by Janice Hebb or myself please. If you do visit, do so **with strict compliance to sanitizing, social distancing and PPE compliance for both you and your loved one**. Medical appointments should be made only if necessary-if they can wait-then wait.

### IMPORTANT

Staffing levels are being impacted here daily because of employees being notified that children in school have tested positive and their child was in the classroom or a spouse in another workplace exposed and must isolate for 14 days. We have strict protocols in place for return to work. All departments are affected so we are working short in various departments. Every day is a different and challenging day.....

### Continental Breakfast Monday May 17<sup>th</sup>

Attached to this email you will see the Bistro Experience Menus

On Monday, our continental breakfast will be served in the Bistro and Fireside Lounge. All the usual continental breakfast items will be served. Breakfast sweets, muffins, juices, fresh fruit, porridge, cold cereals, toast and more.

Daily at 10am and 2 pm there is a selection of Specialty Teas and Coffees along with a 'special' daily item like hot croissants or cinnamon buns, Ice Cream treats- a vast array of healthy and some 'unhealthy'treats. The daily menu will reflect the treats of the day.

We have also introduced on the daily menu "Breakfast for Lunch" option available every day. Two eggs any style with chef's choice of side.

The dining room will open for lunch and dinner as per usual.

We understand that change is difficult, but it is a change of location. All food options remain and there is an enhancement of food selections for am and pm breaks.

As usual, Call or email if you have questions and suggestions. Stay Safe!!!

Please respond to my email and not Heathers TY
