

## COMMUNICATION 67 July 21, 2021

### Families, Residents & Staff

#### Harmony Court Residents- Leaving the building- Medications

Just a reminder, when taking a resident out, please see the companion in the house to check to see if you need to take medications with you. Companions will process the medications for you. Remember to sign your loved one out and in. Families are responsible for returning their loved one directly to their house. Residents cannot be dropped at the front door as we have no personnel that can take them to their house. Thank You.

For residents of Harmony Court-medical appointments. Please call your house companion directly if you require assistance in having the resident dressed and ready for you to pick them up for a medical appointment.

#### Immunization Cards –

Riverwood Square does not apply for the cards. Families can access.
