Update on Census

Interestingly when we put out the call to complete census with the residents, I received a call from the census crew leader for our area on Friday. It was discovered that Riverwood Square had not been enumerated to receive the census, which explained why our residents did not receive the documents to submit. Arrangements were made for the enumerators to complete the census with each resident thru out the weekend and this week.

The census lead has taken all the information for Harmony Court that they need to complete census for those residents.

The last update from the census office was filled with compliments for the residents and the staff expressing how hospitable all our residents are and how helpful our staff are. Thank you all.
