

# Riverwood Square

**COMMUNICATION 73 Oct 16, 2021**

**Families, Residents & Staff**

**Visitors, Families, Volunteers, Service Providers and Public Health Order**

**As of October 18, 2021- Policy**

**Twice Vaccinated Entry Only in effect for all visitors to Riverwood Square. If you are not vaccinated you can visit outside, masks required.**

Thank you to all that have been supportive of this policy. All our staff have been fully vaccinated and are actively obtaining their 'booster'.

We can keep our building safe together. Moving forward into fall and the knowledge that our infection rate is already escalating we would appreciate caution in taking residents out for visiting. Visiting at Riverwood Square would be the safest for all concerned if we follow the safety protocols.

Thanks to all our families in your diligence in keeping all residents and our staff safe.

Your ongoing support is truly appreciated.

If you have any questions regarding this policy, please contact me directly.

Thank You

Linda Sherrin
